

We have seen great investment both financially and physical over the last few years to ensure you have a top rate facility to enjoy. Please respect the circuit and the measures put in place, to ensure that we continue to grow and improve the circuit for years to come.

### Venue access & Parking Instructions

#### **Testing**

Please register at KNE Reception before setting up and the team will advise on the best location and which pitlane will be getting used for that session. Should you wish to stay overnight, prior to, or after the session please inform KNE 24 hours before arrival on 0191 5214050.

#### **Race Weekends**

Paddock bays can be booked prior to events with or without electric using the form on <https://wardenlawmotorsports.com/venue-plans/> Please note paddock bays will be allocated to ensure maximum efficiency of the paddock area. Please only book what you require and be considerate of space for others. No working vehicles (caravans, cars motorhomes etc are not allowed in the main paddock)

Please note the standard main gates are locked between 8pm-8am Monday-Thursday and 8pm-8am Friday – Sunday. This will differ for events.

Access times to the venue for race events will depend on the weekends itinerary and will be released in final instructions one week prior to the event

- Under no circumstances is it permitted to park on the main road or on the grass/road outside the main gate. Please find alternative parking if you arrive at a time when the gate is closed. On race weekends there will be limited space on the access road to park until gates open.
- Should you need to drop-off items you will be required to leave your contact details, i.e., name and contact number with the Paddock Official. You will be required to then remove your vehicle to an assigned parking area, should any person refuse, this will be reported to the event officials, and you will risk disqualification.
- **There is strictly no parking on access roads as these MUST be kept clear for emergency vehicles. Previous years has seen the road blocked by inconsiderate parking. Anyone found to be parking in restricted areas risk being disqualified from the meeting or having their associated driver/team excluded.**
- Electrical hook up is available in the Main Paddock and West Paddock @ £15 per day. There is limited hook up in the overnight stay area which is available on a first come basis.  
**The hookups are 16amp and anyone found to be splitting supply, overloading the socket or using non-waterproof connections will have their supply removed and connections confiscated without refund.**
